The Victorian
CAST IRON FACE

A Cast Iron Classic

We are excited to offer the new Victorian Cast Iron Face! This option has a historic visual aesthetic thanks to the high quality cast iron surround complemented by classically ornate detailing.

The beautifully crafted 50-3649 Victorian Cast Iron Face will be compatible with the Q1 in either a fireplace or fireplace insert configuration. It is also compatible with a rear panel that can reduce the installation depth to only 13" (Part#: 50-3809)

Part#: 50-3649

Q1 Victorian Face - **Painted Black**

Fireplace and Insert Compatible

Part# 50-3738

Q1 Victorian Face - **Antique Bronze**

Fireplace and Insert Compatible

The Victorian
CAST IRON FACE

Timeless Appearance

The Victorian Face includes a cast front w/ClearView safety screen. It is compatible with a removable 2" thick rear extension to make complex installations easier.

Optional Installation Depth Reducing Panel

An optional rear extension (in red) attaches to the Victorian Face and can reduce the minimum install depth to only 13" (Part# 50-3809)
