

Standard Burn Display Claim Form

50 % REBATE

STEP 1: MAKE YOUR PURCHASE

Purchase and install in your showroom a selected burn unit; wood, pellet or gas (gas logs) **including any options**, vent, blower, remote, etc.. The unit must be operational and installed for a minimum of 18 months. Showroom display rebate is 50%. Please print clearly and complete all sections. Claims with incomplete information will not be processed.

Use **Prestige** Burn Display Claim Form to claim (GD80), HD Series (HD81, LHD50), Park Avenue (GD82), Tureen (GD82T), Dream (BGD90) or High Country (NZ6000, NZ3000).

All displays are subject to approval and must represent the particular model in it's intended application/appearance, ie. Show a clean face unit as a true "clean face" installation.

Electric Fireplaces and "portable" equipment (Patioflames, Hanging Waterfalls & Patio Heaters) are NOT eligible for display allowances.)

STEP 2: FILL OUT FORM AND ATTACH PICTURE

Attach a picture of the fireplace completely installed and burning in your showroom. Fill in this claim form and be sure to list all associated accessories/venting. Submit this claim to Wolf Steel Ltd. or your Napoleon Fireplace Distributor, if applicable, within **60 days** of installation date. **Do not deduct from payment**, 50% off your cost will be credited to your account within 30 days of receipt of your claim.
