Grand Canyon Gas Logs: Burners – Our Indoor burners are manufactured in the heartland of America, Paoli Indiana. All burners are built with a 20-gauge stainless steel chassis and then standard metal bar stock and pipes. Burners can have the gas enter the burner from the left or the right and pilot mounting brackets are on the back side of the burner. All burners carry a lifetime warranty when installed inside. Burners can be sized according to the Grand Canyon Sizing Chart found on the last page of the price list.
