

Choice of Liner

The C60 Tall blends in with a variety of decor with a choice of either fluted liner, ledgerstone liner, black enamel or black glass liner, and the standard painted black liner.

C60T

TALL LINEAR FIREPLACE

Specifications

BTU Input	51,000
Glass Size	20"h x 60½"w 1,210 in ²
Venting	5" x 8"

Choice of Flame Accent

Multiple burner styles to choose from, including new Signature Log Sets that perfectly accent the C60 Tall's new high/low burner design.

Optional Heat Distribution / TV Kit

This heat distribution kit channels hot air away from wall mounted TVs or other valuable materials placed directly above the unit. Also moves heat to nearby rooms.

High/Low Burner

The C60 Tall uses high/low burner technology to create a more realistic flame appearance. The uneven flame heights are more authentic to an actual fire.
